Cliff England / Robin Maclachlan			3	600	393	1200	600		F		600	600	F	600	600	F	600	F	600	F	5	6396	Ret.

These results revised to include correct penalty for opening a panic envelope (1200) and incorrect finishing order announced on the night. Good news for Tony and Neil who were winners all along, bad news is they now have to write the magazine article! Codeboards probably not in the correct sequence - nobody found the 'N' wherever that might have been.
