## Online entry instructions

Click on the link supplied by your championship coordinator or go to [www.woolbridge.co.uk](http://www.woolbridge.co.uk) and click on the 'entry/membership forms' link at the top right-hand corner of the home screen.

- Complete all the details on the correct entry form (the Interclub and National classes have separate entry forms, and we may have other events on the go as well), complete the 'I am not a robot' button (this may be a tick box or a simple question), and click on 'Submit'. Interclub entries see below \*\*
- If you have a PayPal account, click on the blue PayPal button on the next screen to make payment. The link is to [treasurer@woolbridge.co.uk](mailto:treasurer@woolbridge.co.uk)
- If you don't have a PayPal account, or don't wish to use it, click on the grey 'Debit & Credit Card' option to use your own debit or credit card. You don't need to have a PayPal account or log in so you can ignore that.
- Payment by internet banking or BACS is also available if preferred, email [wiscombe@woolbridge.co.uk](mailto:wiscombe@woolbridge.co.uk) for details. Submit the entry form first to register your place.

If you have used our online system for previous events, depending on such things as the 'autocomplete' settings on your device, you may find it completes most of the information for you as you start to fill out the form, simply click and move through the form – just check that it is all correct.

You will receive an on-screen acknowledgement of receipt of your entry; this does not mean your entry has been accepted – a further e-mail will be sent to confirm this after the closing date.

Double driven cars – **both** drivers must complete a separate entry form, so that both have indicated their acceptance of Motorsport UK declarations, and select the appropriate payment options.

Priority has to go to entrants in the British Hillclimb Championships, then to entrants in the other championships.

\*\* Entries for the Interclub Permit events (Wiscombe championship) and from anyone who is not registered for any of the championships should complete the entry form and click on 'Submit' as normal, but the payment system will be turned off if it looks like the entry will be over-subscribed. If this happens, your entry will be held until the closing date when you will be contacted to confirm whether a place is available and if so, to arrange payment.
