

# Meet the Committee- Vice President- Colin Rolls

I became a member of Woolbridge in November 1961 and joined the committee in about 1964. Apart from a four or five year gap in the 1970's, when I was moving jobs and houses, I have been on the committee ever since. I have been Vice Chairman and Chairman at least twice and carried out other roles such as Magazine Editor for nearly 20 years, Speed Event co-ordinator in the days when we ran events at Longleat and Bovington in addition to Wiscombe and even Competition Secretary for a short period. Currently as Vice President my role is to support the President and stand in for him when necessary and to generally promote the well being of the Club. I have also retained a couple of other jobs such as dispatching the printed version of the magazine, where I obtain the address labels from Merv Brake, purchase the necessary postage stamps and then attach them and the labels to the envelopes, often with help from Sister-in-law, Jeannel. Then I collect the magazines from the Printer and put them in the envelopes and deliver them to the Royal Mail. I am also tasked with organising the two or three skittle matches, which we have with other Clubs each year. For more than 40 years I have worked with Charles Barter to put on the annual Boxing Day Trial.
